THE SMART PLANK

## DISCOVER A WHOLE NEW EXTERIOR WORLD

PREMIUM GOOD LOOKS WITH  
ZERO MAINTENANCE TODAY,  
TOMORROW, FOREVER.

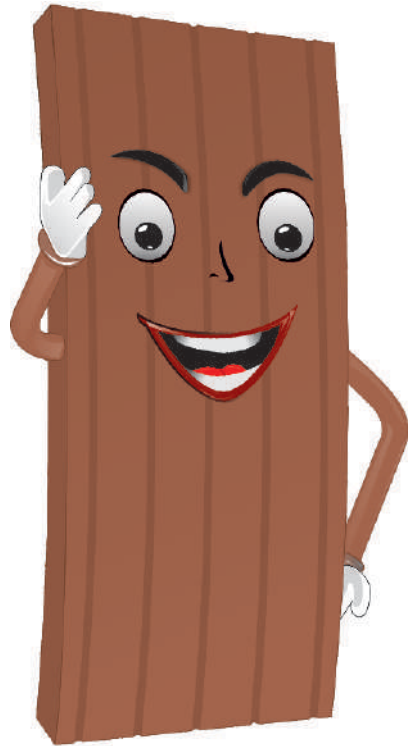

## Discover A Whole New World

Versa premium quality exterior WPC (Wood Plastic Composite) planks display exceptional natural wood looks that require no maintenance from painting or coating. These highly durable, eco-friendly planks are UV & weather resistant and are the best alternative to natural wood, cement fibre planks, steel, aluminium and other conventional materials for multiple exterior applications.
